SEPTEMBER 16

Art in a Bottle -  
Study the ever changing layers  
as you fill your own bottle with  
brightly colored sand.

Pondering UV Rays -  
Using UV beads, create your own  
bracelet or necklace and see  
what happens to the colors as  
you step into the sun.

OCTOBER 14

October brings us Archeology Awareness Month—  
Explore 12,000 year old artifacts with charcoal rubbings.

Celebrate El Dias de los Muertos—Day of the Dead  
Learn more about the customs and traditions of Mexico as  
you fashion La Catrina.

November 18

Take part in a  
Nature Walk -  
Gather interesting  
items and craft them  
into a  
personal Nature's  
Window.

Twig Looms -  
Create your own loom  
out of a variety of  
natural materials  
including branches  
and hand dyed yarns

A Ray of Sunshine &  
Leaf Pressing and Painting -

Take a ray of sunshine home  
during the winter months  
with a colorful suncatcher.  
Add a touch of Spring with  
unusual leaf shapes, textures  
and paints.
